ALUEXPO

The Premier Event in the Global Aluminium Industry!

One of the world's most prestigious events in the global aluminium industry, **ALUEXPO 2025, will take place between 18-20 September 2025 in ISTANBUL EXPO CENTER, over significantly increased stand area due to demand of aluminium sector.**

A Convergence of Excellence: ALUEXPO and ALUS'12

Join us for the 9th edition of the International Aluminium Technologies, Machinery, and Products Trade Fair, alongside the esteemed 12th International Aluminium Symposium, where industry key players and leaders converge. This combined event serves as the ultimate platform to showcase cutting-edge technologies, forge strategic partnerships, and find the latest industry trends.

ALUEXPO 2025 is your gateway to lucrative markets in Türkiye and the Eurasian Region. Over three dynamic days, exhibitors and visitors alike will benefit from the power of networking and innovation to solidify their presence and expand their footprint in these growing markets.

As the industry's foremost gathering, ALUEXPO aims to bring variety of aluminium producers and all supplier to aluminium industry together to provide an unique experience.

Unlock Your Potential at ALUEXPO 2025: Where Innovation Meets Opportunity

Exhibitor Spotlight: Diverse Solutions for Every Need;

From primary aluminium production to semi finished and casting products, and beyond, ALUEXPO 2025 boasts a diverse exhibitor profile encompassing the entire aluminium ecosystem. Explore the latest in production technology, machinery, equipment, and services, tailored to meet the evolving needs of the industry.

Exhibitor Profile;

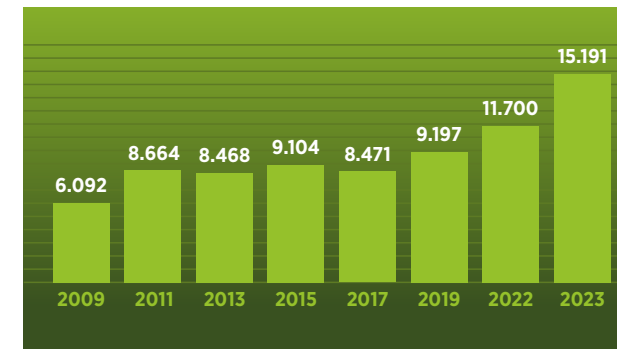

Companies who operate in production of Primary Aluminium, Semi Finished Products, Casting Products, Aluminium System Products for Architectural Applications and more...

All suppliers to Aluminium Industry such as;

- Aluminium Production Technology, Machinery & Equipment
- Melting, Casting, Heat Treatment and Reheating Technologies
- Die-Casting Machinery & Equipment
- Rolling Mill Technology
- Forging, Extrusion and Drawing
- Surface Treatment
- Services, Consultancy, Associations and Press and more...

ALUEXPO 2023 FACTS

In 2023, ALUEXPO expanded with third hall, reached a net stand area of 15.191 square meters with increased number of first-time exhibitors. The 96% of the ALUEXPO participants have expressed their intention to participate in the next ALUEXPO Fair. In 2025 by adding the fourth hall, it is expected for ALUEXPO to increase the exhibit area significantly.

Don't miss your chance to be part of the global aluminium industry's premier event. Join us at ALUEXPO 2025 to forge connections, explore cutting-edge solutions, and chart a course for success in the dynamic world of aluminium.

alus'12

ALUS'12; Bridging Industry and Academia

Experts, Industrialists and Academicians of the Aluminium Sector will be at the ALUS12 - 12th International Aluminium Symposium.

Prepare to engage with the foremost minds in the aluminium sector at ALUS'12, where experts, industrialists, and academicians gather to chart the course of the industry's future. Through insightful discussions and knowledge-sharing sessions, ALUS'12 offers a unique opportunity to stay informed of scientific and technological advancements shaping Türkiye's aluminium landscape.
