

The World of Dental and Oral Healthcare industries meet at IDEX on May 08–11, 2024 in Istanbul!

Hosting the most renowned dental equipment and material producers of the world, the largest dental gathering of Europe, Asia, Middle East and Africa **IDEX – Istanbul International Dental Equipment and Materials Exhibition** will be organised on **May 8–11, 2024** in Istanbul Expo Center. As one of the most prestigious exhibitions dedicated to oral & dental healthcare industries, **IDEX** will reunite domestic and international players in Istanbul.

Featuring over 500 local and foreign exhibitors and over 4000 brands showcasing their cutting edge products, **IDEX 2024–Dental Equipment and Materials Exhibition**, one of the proudest exhibitions of our country, is expected to generate over 80 thousand visits largely by dentists and dental technicians within the course of 4 exhibition days.
