# 7TH INTERNATIONAL SCAFFOLDING, FORMWORK, TENTS, SHADES MOVING PLATFORMS, STRUCTURAL SYSTEMS EXHIBITION 2023

18-22 MARCH , 2023  
ISTANBUL , TURKEY

The only exhibition of the sector in the world organized by Demos Fairs Inc. will be held at Istanbul Yenikapı Exhibition Center between the dates 18-22 March 2023.

The fair, which draws attention with its wide exhibitor and product profile including scaffolding systems and accessories, formwork systems and accessories, plywood products, construction work and worker safety equipment, telescopic erecting poles and platforms, as well as towers, cranes and risers, has the distinction of being the only one specialized exhibition of its kind in the world.

Scaffolding and Formwork Istanbul Exhibition which has found an important place in the rapidly developing construction sector, brings together the companies engaged in project design, production, sales and leasing, and the professional target audience, which is in restructuring abroad, on a commercial platform. The fair can be visited between 10.30 and 18.00 hours for 5 days.
